Work History

During my internship at Commercial Bank of Ethiopia, I gained valuable experience in networking. This internship provided me with a deep understanding of networking principles and technologies. I successfully completed projects both individually and as part of a team, demonstrating my ability to work independently and collaboratively. These projects included a clearance management system, an online bookstore management system, and a scheduling management system. My work involved utilizing a range of technologies, including PHP, JavaScript, Bootstrap, HTML, CSS, SQL, and React.js.
